

Dear FCC, I am writing you to tell you how I benefit from listening to XM Satellite Radio and its traffic and weather channels. These channels provide variety and quality that are not available elsewhere. I pay for these services and it should not be up to the National Association of Broadcasters to dictate what I am permitted to hear. I respectfully urge the FCC to reject the NAB's petition 04-160 and to support XM's ability to provide the kind of programming that I demand and deserve.

Respectfully yours,

Jason Zoccole
